

Gallery Exhibition Application Watauga County Arts Council

The Watauga Arts Council operates three galleries in the Jones House Community Center: The Mazie Jones Gallery, the Open Door Gallery, and the Serendipity Gallery. The Serendipity Gallery is managed in cooperation with the Lois Harrill Senior Center. The Open Door Gallery and the Mazie Jones Gallery are managed by the Arts Council's Gallery Committee. Artists may use this form to apply for exhibition in either of these galleries. Please keep in mind that the galleries are part of a Community Center and, as such, may have meetings or other events taking place in them. They are not suitable for installations, however 3-dimensional work which can be moved by staff if necessary is welcomed. For further information, contact the Arts Council offices at 264-1789.
